Professional Experience

- **Administration**

September 2012- August 2017

Bastyr University (Washington and California campuses)

Associate Dean of Naturopathic Medicine

Associate Professor

Bastyr University California, San Diego, California

(June 2015- August 2017)

- On-site administrator of branch campus responsible for all aspects of the academic and clinical education program for over 200 naturopathic medical students and two first year ND clinical residents. Under the direction of Dean of Naturopathic Medicine, responsible for hiring, training, evaluating and supervising 20 core faculty and 50 adjunct faculty; supervising two support staff and a two dozen Profession TAs for the naturopathic program. Work collaboratively with the Vice Provost of Bastyr University California (BUC), Campus Director (BUC), Associate Academic and Associate Clinical Deans, Director of Graduate and Community Medicine and Vice President of Student Services to manage the programmatic and regional accreditation process for the naturopathic program; to supervise the ND Clinic Residency program; comply with state, local and federal regulations; and oversee program assessment and curriculum development. Assist the Dean with revision of the catalog, student clinic handbooks and university policy and procedures. Manage a budget of over \$2 million for BUC naturopathic medical program. Establish new external clinical and preceptorship sites through community outreach and marketing events. Develop and implement specialty clinics to expand patient volume and clinical services to the Bastyr University Clinic. Collaborate with the Vice Provost in the development and implementation of new programs and services at BUC campus and clinic.

Additional leadership responsibilities include:

- President’s Transition Advisory Council (TAC)
- President’s Cabinet member
- Academic Leadership Council
- Clinic Strategic Planning Task Force member
- Naturopathic Medicine Program Assessment Committee

- Bastyr Leadership Team (BUC)
- Academic Leadership Team (BUC)
- Clinic Leadership Team (BUC)
- Leadership Training team (BUC)
- Continuing Education team (BUC)
- Weight Loss Program Task Force (BUC)

Associate Dean of Naturopathic Medicine & On-site Administrator for BUC Campus and Clinic

Bastyr University California, San Diego, California
(September 2013-June 2015)

- As the Associate Dean and on-site administrator, responsible for daily academic, clinical and service support operations at BUC in collaboration with Kenmore/Seattle Campuses. Responsibilities included supervision of all aspects of the academic and clinical education program for naturopathic medical program at BUC under the direction of the Dean of Naturopathic Medicine. Responsibilities including assessing and managing the expansion of the campus and clinic and identifying staffing and operational needs with the matriculation of 60 new naturopathic medical students each fall. In two years, the campus and clinic has expanded to three separate buildings with over 150, 000 square feet. During this time, BUC’s community grew to 160 naturopathic students and 50 staff and faculty. Responsible for direct supervisor of 10 staff, 11 core faculty and 20 adjunct faculty. In collaboration with Kenmore staff, created and hired five new staff positions (2 PSRs, IT, Facilities, Marketing), five new core faculty positions with many adjunct and Professional TAs. Developed and implemented the first ND Clinic Residency program at BUC.
In collaboration with the CMO and Seattle clinic staff, implemented electronic health records, hired and trained clinic faculty and established the first student teaching clinic at Bastyr University California. Additionally, established two new external clinical sites and numerous preceptorship sites through community outreach and marketing events; developed and implemented specialty clinics to expand patient volume and clinical services to the Bastyr University Clinic. Managed a budget around \$1.5 - \$2.4 million for BUC campus and clinic operations.

Associate Dean for Naturopathic Clinical Education & Associate Clinical Professor

Bastyr University, Kenmore and Seattle, Washington
(September 2012 – September 2013)

- Responsibilities include supervision of all aspects of the clinical education program including developing the clinical schedule, the review, revision and implementation of clinical requirements and practical examinations for naturopathic medical students. Update the clinician handbook outlining clinical education policies, requirements, protocols and consequences. Address clinical students’ academic concerns related to clinical education. Oversee student remediation. Under the direction of the Dean of the Naturopathic Medicine, recruit, evaluate and advise clinical faculty with respect to their teaching activities and performance. In association with the Director of Graduate and Community Medicine, develop, implement, and evaluate the Clinic Residency program including performance requirements and learning objectives, and regularly evaluate and advise clinic residents on their performance. Responsible for ensuring the education and clinical training of each resident is aligned with the principles and philosophy of naturopathic medicine. Additional responsibilities include managing the accreditation process that pertains to clinical education, creating partnerships with faculty, the Associate Academic

dean, the Dean, and the Chief Medical Officer that maximizes students' educational experiences and clinical care for students. Assist the Dean with updates to school policies/procedures, ensure current/accurate student program tracking, enforce policies and procedures; update Catalog, Student Handbook with references to the School of Naturopathic Medicine.

As clinical faculty, supervise and evaluate clinical students' performance related to patient care; facilitate the development of competency in clinical skills in each student to ensure graduating competent entry level primary care naturopathic physicians.

January 2007-August 2012

Southwest College of Naturopathic Medicine, Tempe, Arizona

FINANCE & PLANNING

An extensive career encompassing all aspects of finance, accounting, strategic and long-term planning for both profit and nonprofit organizations. Provided overall direction for the development of financial strategies, cash management and forecasting, budgeting, general and cost accounting, internal auditing and financial reporting. Negotiated with banks and other financial institutions to secure bond financing, loans, leases and credit lines. Wrote investment policies and guidelines for Board Investment Committees. Served as liaison to the Finance, Investment, Audit, and Long-Range Planning Committees of the Board of Trustees.

ADMINISTRATION

Progressive and diversified experience in general management and operations. Directed the activities of controllers, department managers, financial and support staff. Negotiated cost-effective contracts with vendors, suppliers and service providers. Selected and installed new data processing and telecommunications systems. Oversaw all facets of facilities planning, construction management, real estate transactions, physical plant maintenance, procurement, computer information systems, mail and messenger services, food service, bookstore operations, risk management, safety and security, and personnel administration. Served as liaison to the Facilities, Academic Affairs, and Benefits Committees of the Board of Trustees.

PROFESSIONAL DEVELOPMENT

Marist College, Poughkeepsie, NY

10/2010 - Present

Vice President for Business Affairs & CFO

Reporting to the President and a member of the senior staff, provide leadership and management oversight for all accounting and business operations. Responsible for endowment/investment planning, risk management, financing, budgeting and financial reporting. Direct reports include Budget & Finance, Procurement, and Business Affairs.

- Revised the budget process to provide more collaboration and participation by budget administrators as well as integration into the Strategic Plan.
- Negotiated contract renewal with the SEIU Local 200 and CWA unions.
- Secured \$15 million in tax-exempt bond financing for the building and renovation projects and refinanced \$18 million of existing debt that produced over \$2.2 million net present value savings. Negotiated letter of credit renewals that produced \$360,000 in interest savings.

D'Youville College, Buffalo, NY

11/2005 – 09/2010

Vice President for Financial Affairs & Treasurer

Reporting to the President and a member of the senior staff, provide leadership and management oversight for all business operations. Responsible for endowment/investment planning, risk management, budgeting and financial reporting. Direct reports include information technology, human resources, procurement, and business affairs.

- Revised the budget process to provide more collaboration and participation by budget administrators as well as integration into the Strategic Plan.
- Negotiated contract renewal with the D'Youville Chapter of AAUP.
- Secured \$20 million in tax-exempt bond financing for the School of Pharmacy building and refinanced \$7 million of existing debt that produced \$100,000 annual interest savings. Negotiated interest rate swap with letter of credit bank.
- Developed costing model for academic programs that assisted in tuition pricing and financial aid strategies.

- Assisted in the development of a health and welfare benefit consortium of educational institutions in western New York. As a founding member of the consortium, the college saved \$270,000 in premiums over a 17-month period.

St. John Fisher College, Rochester, NY

7/2001 – 9/2005

Vice President for Financial Affairs/CFO

Reporting to the President and a member of the senior staff, provide leadership and management oversight for all financial operations and administrative affairs. Direct reports include facilities, accounting & budgeting, cash and risk management, human resources, central services, information technology, food service, bookstore, security, and campus events.

- Wrote the College's first Investment Policy and Guidelines – approved by the Board in March 2002. Recommended strategies to enhance performance and asset mix.
- Established a collaborative, institution-wide budgeting process.
- Established the Offices of Human Resources and Budgeting.
- Secured \$14.3 million in tax-exempt bond financing for a new residence hall and student center. Initiated a \$7.15 million interest rate swap connected to this financing.
- Successfully negotiated lease extension with the NFL Buffalo Bills for their pre-season training camp held on campus.
- Member of the Strategic Planning Committee, Middle States Steering Committee, Faculty Welfare Committee, Institutional Committee on Assessment Planning, School of Pharmacy Planning Committee, and the IT Governance Council.

New York Chiropractic College, Seneca Falls, NY

8/1988 – 7/2001

Vice President for Business Affairs & Treasurer

Provide leadership and management oversight for all financial and administrative affairs. Direct reports include Accounting & Budgeting, Facilities, Human Resources, Purchasing, Food Service, Technology, and Bookstore.

- Oversaw all aspects of the College's relocation from Long Island to Seneca Falls.
- Located and acquired several off-campus chiropractic health centers.
- Secured \$25 million in tax-exempt bond financings for the acquisition, construction, and renovation of the College's new campus and subsequent expansions.
- Co-chaired the Institutional Strategic Planning Committee and lead the environmental scanning process and formulated strategic initiatives.

New York Institute of Technology, Old Westbury, NY

7/1986 – 8/1988

Vice President & Controller (1988)

Director of Financial Reporting (July 1986 –1987)

Responsible for general accounting, financial reporting, budgeting, audit, payroll, and bursar operations.

- Developed a cost accounting model that helped determined the feasibility of certain programs.
- Restructured the institution's general ledger to better report departmental activities.

The Terlene Group, Inc., New York, NY (now defunct)

8/1985 – 7/1986

Controller

Served as chief financial officer for this residential real estate development, property management, and syndication firm. Responsible for accounting, budgeting, cash flow projections, payroll, and partnership taxes.

- Uncovered a massive fraud and embezzlement scheme leading to the apprehension and arrest of a division president and vice-president in Dallas, TX.

Integrated Resources Inc., New York, NY (now defunct)

1982 – 1985

Assistant Vice President & Divisional Controller

Responsible for accounting, budgeting, and financial reporting for both private and public real estate limited partnerships for this real estate management and syndication company. Prepared cash flow analyses and tax projections monitored investment of partnership funds and performed due diligence reviews on prospective managing agents.

Northville Industries Corp., Melville, NY

1981 – 1982

Senior Corporate Accountant – for a wholesaler, distributor, and arbitrage of oil & gas

Deloitte, Haskins & Sells, CPAs (now Deloitte & Touche), New York, NY

1979 - 1981

Senior Accountant (1980 – 1981)

Senior Staff Accountant (1979 – 1980)

Kenneth Leventhal & Co., CPAs, New York, NY

1976 – 1979

Staff Accountant

TEACHING EXPERIENCE

Marist College , Poughkeepsie, NY Adjunct Instructor in Accounting	Present
D'Youville College , Buffalo, NY Adjunct Assistant Professor in Accounting & Finance	2007 - 2010
St. John Fisher College , Rochester, NY Adjunct Instructor in Accounting	2004
St. Joseph's College , Patchogue, NY Adjunct Instructor in Accounting	1982 - 1985
Dowling College , Oakdale, NY Adjunct Instructor in Finance	1983 - 1984

EDUCATION & HONORS

American College of Chiropractors Doctor of Humane Letters (honoris causal)	Dec. 2001
Rochester Institute of Technology M.B.A. – Management & Leadership	Aug. 1998
New York Institute of Technology B.S. in Accounting , graduated <i>cum laude</i>	June 1978

PROFESSIONAL and COMMUNITY AFFILIATIONS

- Member of the Board of Directors, Dutchess County SPCA, 2012 to present, Serve as chair of the Finance Committee.
- Member of the Board of Directors, Abilities First, Inc., 2012 to present. Member of the Finance, Audit, and Planning Committee.
- Councilor, Council on Chiropractic Education (USA), 2008 to 2011. Member of the Finance and Audit Committees. Also serve as site evaluator on accreditation teams.
- Evaluator, Council on Naturopathic Medical Education. Site evaluator on accreditation teams.
- Member, Commission on Accreditation of the Council on Chiropractic Education, 1992 – 2001.
- Member, Commission on Accreditation of the Council on Chiropractic Education (Canada), 1993-1999
- Member, Small College Committee of the Eastern Association of Colleges & University Business Officers', Chairman – 1996, and Vice Chair – 1995
- Trustee, Chiropractic Education Foundation of New York, 1994-1999
- Member, New York State Society of Certified Public Accountants
- Member, American Institute of Certified Public Accountants

LICENSES

Certified Public Accountant, New York State
Notary Public

AWARDS

- Certificate of Appreciation for Service, New York Chiropractic College
- Certificate of Appreciation for Outstanding & Dedicated Service, The Council on Chiropractic Education and Commission on Accreditation, 2000 and 2011
- Certificate of Appreciation for Service, New York State Society of Certified Public Accountants

M. Eileen Stretch, ND

Profile:

Committed to the profession of naturopathic medicine through the practice of excellent primary care naturopathic

and integrated medicine, leadership in modeling a successful medical clinic and in the education of naturopathic medical students and colleagues. Leadership in promoting naturopathic medicine locally, statewide and nationally.

Education:

Resident. 1993-94. Bastyr Center for Natural Health, Seattle, WA.

Accredited residency program with training in primary care naturopathic medicine.

Doctor of Naturopathic Medicine. 1993. National College of Natural Medicine, Portland, OR
Completion of accredited naturopathic medicine program.

Clinical Psychology Master's Program, Southern Illinois University, Edwardsville, IL 1974-1976

Bachelor of Arts Psychology, January 1974 University of Missouri, St. Louis, MO

LICENSURE

Washington, 1993-2016 License NT00000693

PROFESSIONAL EXPERIENCE

Retired from medical practice 12/1/2014

Associate, Institute of Complementary Medicine, Seattle, WA 2013-2014

Co-Founder and Partner Institute of Complementary Medicine, PLLC, Seattle WA
1994 to 2013

Residency Director CNME approved residency within Institute of Complementary Medicine
2006-2008, 2010-2012

Adjunct Faculty, Bastyr University, Kenmore, WA 1994-2014

Physical and Clinical Diagnosis 1994-1997

Practice Management 1997-1999

Lectures and presentations at Bastyr on variety of naturopathic therapeutics most years 2000-2014,

Preceptor for naturopathic students 1996-present. 6-8 students per quarter.

Associate Medical Director American Whole Health, Inc. Seattle, WA 2000- 2002

Medical Director CAM Solutions, Inc. Seattle, WA 1998 -2000

Medical Director Alternative, Inc. Seattle WA 1996-1998

PROFESSIONAL MEMBERSHIP & LEADERSHIP

Washington Association of Naturopathic Physicians 1994-present

Board Member: 1995-1998 Chair of Education committee and responsible for continuing
educations seminars

American Association of Naturopathic Physicians 1989-present

Board Member 1997-2002, 2004-2007 and Treasurer: 1997-2001, 2004-2007

Annual presentations to the membership and extensive fundraising activities

Leader in attaining insurance reimbursement for naturopathic physicians in Washington State and
significantly involved in Premera Blue Cross and Group Health's inclusion of naturopathic physicians in
their health plans.

Served on boards for medical review/necessity at Group Health Cooperative, Providence Hospital and
Regence BlueShield 1997-2002.

Testified before the White House Commission on Complementary and Alternative Medicine Policy 2001.

While an AANP board member, made recommendation to Integrative Therapeutics to sponsor ND
residencies in 2006.

Participant at Strategizing Inclusive Implementation of the Affordable Care Act in Region X: The Roles of
Integrative Providers June 6, 2013 Bastyr University

Serves as primary on Selection Committee for STAIR Integrative residencies 2007-2014

Integrative Therapeutics Medical Advisory Board 2006-2014

Seattle Met Magazine Top Doctor recognition for naturopathic medicine 2010, 2013, 2014

PERSONAL INFORMATION

Born St. Louis, MO. Citizenship: US

Sales and Marketing management positions within the telecommunications and incentive industries 1977-1989.

H. GARRETT THOMPSON, DC, PHD

Vice President of Academic Affairs

Southwest College of Naturopathic Medicine & Health Sciences

2164 E Broadway Rd, Tempe, AZ 85282 | 480.222.9219 | g.thompson@scnm.edu

CURRENT POSITIONS

Southwest College of Naturopathic Medicine & Health Sciences, Tempe, AZ **2013 – present**
❖ Vice President of Academic Affairs / Chief Academic Officer
❖ Previous: Dean of Academic Affairs & Professor
❖ Previous: Dean of Instruction & Professor

American Holistic Health Association, Anaheim, CA **2013 – present**
Treasurer of the Board of Directors

Academic Collaborative for Integrative Health, Mercer Island, WA **2016 – present**
Education Working Group member

PREVIOUS POSITIONS

Council on Naturopathic Medical Education, Great Barrington, MA **2015 – 2019**
❖ Secretary of the Board
❖ Chair – Committee on Standards, Policies and Procedures

Southern California University of Health Sciences, Whittier, CA **2007 – 2013**
❖ Director, Student Learning Outcomes Dept. Chairs' Council
❖ Department Chair, Evidence-Based / Outcomes Focused Practices
❖ Associate Professor
❖ Assistant Professor

University of California, Irvine, CA **2000 – 2005**
❖ Assistant Project Scientist
❖ Post-Doctoral Fellow

EDUCATION

Southern California University of Health Sciences, Whittier, CA
DC – Doctor of Chiropractic Honors: graduated *Magna Cum Laude*
AZ License #8445 2015 – present (CA License #31946: 2011-2015, inactive)

Loma Linda University, Loma Linda, CA

PhD – Biochemistry

Honors GPA: 3.86

Dissertation: “Studies on the Purification and Role of IGFBP-5 Protease in Bone”

Reed College, Portland, OR

BA – Biology

Thesis: “Molecular Characterization of a Novel Chinese Hamster Mini-satellite: A study of conservation and curvature”

Lin LM, **Thompson HGR**, Harris JW & Brody JP. (2003, March). Regulation of FLJ10111 expression, a candidate breast cancer marker. Oral platform presentation at the Federation of American Societies for Experimental Biology, San Diego, CA.

Thompson HGR, Harris JW, Khosho AR, Martinez JE & Brody JP. (2002, January). Computational analysis of publicly available data identifies co-expressed genes in breast cancer cells. Oral platform presentation at the Biophysical Society Conference, San Francisco, CA.

Also presented at the University of California Irvine 1st Annual School-wide Research Review March 14, 2002.

POSTER PRESENTATIONS

Kadar GE, **Thompson HGR**, O'Toole E & Kilgore D (2015, May). Advancing nutrition education through a single interprofessional education intervention. Poster presented at the World Federation of Chiropractic Congress, Athens, Greece.

Also presented at the National Consortium for Building Healthy Academic Communities, Irvine, CA April 23, 2015.

Thompson HGR, Vinjamury S, Kadar GE & Kizhakkeveetil A. (2012, October). Implementation of program-level student learning outcomes at a CAM institution. Poster presented at the International Congress for Educators in Complementary and Integrative Medicine, Washington, DC.

Vinjamury S, **Thompson HGR**, Rose K & Kimura M. (2012, May). Student learning outcomes at a CAM institution: Why and how. Poster presented at the Integrative Medicine Conference, Portland, OR.

Awad S & **Thompson HG**. (2009, August). A retrospective analysis of team-based learning in systemic pathology for chiropractic students. Poster presented at Southern California University of Health Sciences Extravaganza, Long Beach, CA.

Lin LM, Harris JW, **Thompson HG** & Brody JP. (2004, October). Surface plasmon resonance-based sensors can identify cis-regulatory elements. Poster presented at the Biomedical Engineering Society Conference, Philadelphia, PA.

Thompson HGR, Mih J, Zoumi A, Papp J, Krasieva T, Tromberg BJ & George SC. (2004, April). A tissue engineered model of subepithelial fibrosis in asthma. Poster presented at the American Thoracic Society, Orlando, FL.

Brody JP, **Thompson HGR**, Harris JW & Lin LM. (2003, March). Co-expression of a module of genes in cancer and normal tissue. Poster presented at the Federation of American Societies for Experimental Biology, San Diego, CA.

Thompson GR, Harris JW & Brody JP. (2002, December). Expression of proteasome subunit S12 in normal and transformed breast epithelial cells. Poster presented at the American Society for Cell Biology, San Francisco, CA.

Also presented at the University of California Irvine 2nd Annual School-wide Research Review March 13, 2003.

Mohan S, **Thompson G**, Amaar Y, Hathway G, Tschesche H & Baylink DJ. (2002, September). Evidence that a disintegrin and metalloprotease (ADAM)-9 is an IGF binding protein (BP)-5 protease that binds to alpha2macroglobulin (alpha2M) and exists as a complex in the conditioned medium (CM) of human osteoblasts (hOBs). Poster presented at the American Society for Bone and Mineral Research, San Antonio, TX.

Amaar Y, **Thompson G**, Chen ST, Linkhart T, Baylink DJ & Mohan S. (2001, September). FHL-2, A LIM only transcription factor, is a binding partner for IGF Binding Protein (BP)-5 in human osteoblasts (OB). Poster presented at the American Society for Bone and Mineral Research, Phoenix, AZ

Hayden JM, **Thompson GR**, Malpe R, Baylink DJ & Mohan S. (1996, June). Basal and regulated expression of IGF system components differ between immortalized human bone marrow stromal cells and normal human osteoblasts. Poster presented at the 10th International Congress of Endocrinology. San Francisco, CA.

REVIEWER

Journal Reviews (Manuscript submissions):

Reviewer: *Global Advances in Health & Medicine* **2014 – 2015**
 Reviewed ~50 manuscripts submitted for publication – various journals **1996 – 2006**

Book Chapter Review

Chapter 4: Aggravating and Triggering Factors in *Multidisciplinary Management of Migraine: Pharmacological, Manual and Other Therapies*; Jones & Bartlett Publishing.

Meeting Reviews (Abstract / Poster submissions):

American Public Health Association (APHA) **2012 – 2015**
 ACC-Research Agenda Conference (ACC-RAC). **2009 – 2014**
 Southern California University of Health Sciences Extravaganza. **2008 – 2015**
 Poster session: Student Research Achievement Award. 46th Meeting of the Biophysical Society.

AWARDS

Special Recognition Award for Service - Southern Calif Univ of Health Sciences **2010**
Academic Successes: 1) Magna Cum Laude, 2) Delta Sigma, & 3) Dean's List; **2010**
 Southern California University of Health Sciences
Excellence in Scholarship Award - Southern Calif Univ of Health Sciences **2009**
Excellence in Pre-Clinical Teaching Award - Southern Calif Univ of Health Sciences **2009**
First Prize – International Essay Competition, Faculty Division; ONE Foundation **2009**
 "The Biopsychosocial Model in Academia: Philosophy or Best Practice?"
Excellence in Pre-Clinical Teaching Award - Southern Calif Univ of Health Sciences **2007**
ATA Honor Fraternity - Southern Calif Univ of Health Sciences **2006**
 President: September 2006 – December 2006
 Faculty advisor: January 2007 – August 2013
Faculty Career Development Award - University of California, Irvine **2005**
Faculty Career Development Award - University of California, Irvine **2001**
The National Dean's List - Loma Linda University **1998**
Eagle Scout **1986**

James W. H. Wallace, ND**PROFESSIONAL EXPERIENCE**

10/11-Present **Chief Medical Officer, Bastyr University, Seattle, WA**

Responsible for the delivery of clinical care, develop, implement and enforce policies related to medical issues, collaborate with Deans and other senior administrators to ensure optimal clinical training.

12/05-9/11 **Clinic Director, Bastyr Center for Natural Health, Seattle, WA**

Responsible for clinic operations, supervise clinic operational managers, develop and manage clinic budget

1/03-9/11 **Clinic Medical Director, Bastyr Center for Natural Health, Seattle, WA**

Responsible for the delivery of clinical care. Supervise clinical faculty, develop and manage budget, coordinate with academic deans and chairs in the delivery of clinical education.

9/98-Present **Clinical Faculty, The Natural Health Clinic of Bastyr University, Seattle, WA**

Provide general patient care and supervise residents and medical students. Instructor for various academic classes. Chairman of the Residency Committee. Director of Residency Selection Committee.

9/96-9/98 **Clinical Resident, The Natural Health Clinic of Bastyr University, Seattle, WA**

Provided general patient care and supervised medical students.

6/89-7/92 **Applications Engineer, Seattle Silicon Corporation, Bellevue, WA**

Provided marketing and software support for Seattle Silicon's computer aided engineering product to major accounts in Japan and the USA. Pre and post sales activity included product presentations and instructional classes.

10/86-4/88

English Instructor, Kyoto, Japan
