RE: Call for Third-Party Comments

The Council on Naturopathic Medical Education (CNME)—a U.S. Department of Education-recognized accrediting agency for Doctor of Naturopathy (ND) programs—seeks public comment on whether the CNME should reaffirm accreditation for the ND program offered by the National University of Health Sciences.

The CNME Board of Directors will consider this matter at its next meeting, which is scheduled for October 13-14, 2022, at the Hyatt Place hotel in St. Petersburg, Florida.

Public comments should either be submitted by mail sent to the address below or by email sent to: danseitz@verizon.net. Comments should reference the applicable accreditation standards and policies, and **must be received by October 1, 2022, in order to be considered.**

For information on CNME's accreditation standards, policies and procedures, please refer to the *CNME Handbook of Accreditation*, which can be downloaded as a PDF document from the CNME website: www.cnme.org.

If you have any questions, please contact Daniel Seitz by telephone at 413-528-8877 or by email at danseitz@verizon.net. Thank you for your comments.
